

## Preparation for using the updated buyer's website of Parts-mall corp.

1. Please go to "**Internet Explorer – Tools – Option**".
2. Please click "**Security**" tab and after selecting "**Trusted sites**", click "**Sites**" button.
3. In "**Trust sites**" window, please write the address of "**\*.parts-mall.com**" on the zone and click "**Add**" button.  
If there is a check mark (V) on "**Require server verification (https: ) for all sites in this zone**", Please release the check mark (V) on it and click "**OK**" buttons on each windows to finalize the setting.
